

THE CITY OF PRAIRIE VIEW, TEXAS

Healthy Conversations, Healthy Community Town Hall Meetings is an opportunity for the community to engage with city leadership to not only speak on the issues in that area, but also the possibilities of that area. This is also an opportunity for citizens to be updated on projects happening within the City and how they can get involved. These Town Hall Meetings should serve as a reminder of the commitment that the City of Prairie View has towards its citizens.

These Town Hall Meetings will be hosted in each section of the community every 2nd Wednesday of the month at 6:00 PM.
