### **“Citizen Input: Senate Bill 1074 - Racial Profiling”**

The 77<sup>th</sup> Texas Legislature enacted Senate Bill 1074, prohibiting the practice of racial profiling. This legislation went into effect in January of 2002, and in part requires law enforcement agencies to seek input from the community.

The Prairie View Police Department has a long history of working in partnership with members of the community, and we continually strive to excel at our mission of delivering the highest quality police service to all – in a fair and impartial manner. To that end, and as a means of assessing our effectiveness in policy development and employee training, we are always eager to receive public feedback regarding our service delivery.

Anyone with questions or concerns related to Senate Bill 1074 should contact Chief Anthony Solomon, at the phone number listed above. If you have general comments or praising for our officer’s efforts or want to expressing concerns, it may be directed to any department supervisor in person, by telephone at (936-857-3521 or via our website ([prairieviewtexas.gov](http://prairieviewtexas.gov))).

The Prairie View Police Department is very proud of the relationship we enjoy with our community and we value your perspective, comments, and support.
