Date: October 10, 2017  
Contact: Chief Anthony Solomon  
Phone: (936) 857-3521, Ext 3611

### **City of Prairie View Ordinance Prohibiting Parking Along F.M. 1098**

**Prairie View, TX** - The City of Prairie View has adopted an ordinance for both the north and south sides of F.M. 1098, starting at University Drive to L.W. Minor Street. This ordinance prohibits the parking of vehicles at any time.

This area of 1098 is heavily traveled, and even more so during events such as football games and other PVUAM related activities.

It has been a safety concern of the community that parking along the roadway produces a greater potential for accidents for both vehicles and pedestrians. No parking will be allowed along that entire stretch of roadway.

“The road should be free of obstruction, giving access to all motor vehicles traveling the roadway and the pedestrians crossing F.M. 1098”, Solomon said.

**Any person who violates the ordinance is subject to penalties, including a fine of \$266.00, along with the possibility of having your vehicle towed for obstructing the flow of traffic.**

###

#### **The City of Prairie View Police Department**

The City of Prairie View, Texas is the home of Prairie View A & M University. Nestled in Northern Waller County, along Texas Highway 290, it is only minutes from Houston along your path to Austin and College Station, Texas. The Prairie View Police Department is very proud of the relationship we enjoy with our community and we value your perspective, comments, and support.
