

CITY COUNCIL REPORT

MARIE HERNDON, COUNCIL MEMBER (Position 3) June 24, 2014

In networking in (Hempstead) and our community, I attended both Juneteenth Celebrations. Greater St. Peters Baptist Church sponsored the Hempstead Celebration and Constable Herschel Smith and his wife, Sharon sponsored the Prairie View Celebration.

Hempstead

Prairie View

To be part of neighbors and friends fellowshiping, remembering the plight of our ancestors, being thankful for the present; and, planning for the future was well worth the time set aside for these events. Both activities were at no cost to the public.

Thank you, Greater St. Peters Baptist Church and Constable Herschel Smith, and wife, Sharon Smith.

City Council Report – Council Member Marie Herndon

(2)

On Tuesday, June 17, I attended the “Coffee With the Chief”. Since the Waller Police Department, is always first to provide mutual aid to our officers and city, I invited that agency to attend also. They did. In attendance from Waller were Chief Rehak, Sergeant Williams and Investigator Stockley. Unfortunately, due to my schedule, I did not extend the invitation to the University Police Chief (Chief Stephens), and Hempstead (Chief Hartley).

I attended a Special Session of the City Council to appoint an interim city attorney. The Law Fire of Olson and Olson is welcomed to our city. This law firm also represents the cities of Hempstead and Waller.

June 27 and 28, I shall be in Fort Worth for a two-day Texas Association of Black City Council Members Conference.

Condolences are extended to the Bell Family for the loss of their mother, Mrs. Ezel Bell.

Prairie View’s road to becoming a model city is under construction. Together, working cooperatively, we can complete, maintain, and improve it.
