

CITY COUNCIL REPORT

MARIE HERNDON, COUNCIL MEMBER (Position 3) January 28, 2014

As the holiday season was coming to a close, the Democratic Club celebrated together on New Year's Eve with casual exchanges of the 2013 activities and plans for 2014.

January 11, 2014: Chaired the Executive Board Meeting of the Texas Association of Black City Council Members held at the Prairie View City Hall. Board members planned the calendar dates for the 2014 year and finalized the agenda for the February 7th Meeting in San Antonio to be held at St. Phillips College campus. Our organization will be included in ribbon-cutting ceremonies for a new building on that day in addition to the strategic planning activities that will take place.

January 16, 2014: Attended and participated in the Prairie View Volunteer Fire Department Board Meeting. Station expansion and financial matters were discussed.

On January 27, I attended the weekly Safety Committee Meeting on the campus of Prairie View University. I shared information with the group relative to “Apartment Owners” and the City of Prairie View.

I attended the meeting to introduce Mr. Larry Johnson to the community; and afterwards, attended the Prairie View Economic Development 4-B Corporation Meeting. Both meetings were held at City Hall.

PLAN AHEAD: February 6, 2014 I shall travel to San Antonio to meet with Texas Association Of Black City Council Members (TABCCM), and attend The TML Conference.

February Black History Month. Attend Black History Month Celebrations. Watch relevant documentaries and Programs. Broaden your knowledge and educate others.

Prairie View’s road to becoming a model city is under construction. Together, working cooperatively, we can complete, maintain, and improve it.

Marie Herndon
