October 2013 Report

Voter Registration Drive: October 2, I attended a voter registration drive in the MSC at PVAMU organized by The Student Government Association along with Waller County. At this drive not only were we able to get students registered to vote, but dozens of students were able to become deputized voter registrars giving them the ability to register their fellow students. This is just the beginning to a proactive response to the new voter ID laws in the State of Texas.

TML Annual Convention: October 8-11, the mayor, city council and I attended the TML annual convention in Austin, Texas. During these 3 days we attended various sessions that would allow us to become better leaders in our community as well as sessions on how we can make improvements to the current state of city. The convention was made up city officials from around the state which allowed us to converse and exchange ideas to take back to our respective cities. There were also hundreds of vendors advertising products that could be beneficial to our city and we were able to interact with them with the possibility of doing business with them in the future.

Rising Stars Dinner: October 11, I traveled to Galveston with a few others from Waller County to attend the "Risings Stars of the Democratic Party" dinner/ fundraiser. Senator Wendy Davis was the keynote speaker as she prepares for her campaign run for Governor of Texas. Other Notable leaders in attendance included former governor Mark White, a Houston delegation that included Senator Sylvia Garcia, State Representative Dr. Alma Allen, State Representative Senfronia Thompson, State Representative Ron Reynolds, and State Representative Armando Walle. It was an incredible honor to hear Sen. Davis speak and to be surrounded by so many influential public servants from around the state.
