Press Release

During routine patrol of Hargest Street, Police approached four men and questioned them about any recent disturbances or suspicious activity in the area. During the ensuing conversations, another gentleman, who later identified himself as Councilman Jonathan Miller came forward and interrupted the investigation? Investigating officers repeatedly requested Councilman Miller to allow them to complete their investigation. After repeated commands to step back Mr. Miller was told that he was being placed under arrest for interfering with the investigation. Once officers attempted to arrest Miller he physically resisted. Mr. Miller continued to resist even after repeated commands to stop. Officers deployed a taser to subdue Mr. Miller. Mr. Miller was subsequently arrested and charged with Interfering with A Public Servant and Resisting Arrest.
