August 15, 2016

Hello Waller Pregnancy Care Center Friend,

We are pleased to announce our annual ***Walk for Life 2016 on Saturday, October 22nd***! The Immanuel Church at Prairie View is generously hosting the event. The walk will be a 5K walk/run through Prairie View A&M University's campus in Prairie View, Texas.

These are exciting times for the Waller Pregnancy Care Center. We have saved the lives of more babies and empowered more parents in 2016 than ever before. Already, in year 2016 over 95 new moms came to counsel with us concerning their pregnancy and chose life; and we empowered the lives of over 1,100 pregnant and parenting mothers and fathers. It's because of your generosity that this is possible.

Our ***Walk for Life 2016*** event ***goal of \$100,000*** allocates the ***first \$30,000*** to assist us in providing all our services for free. The ***remaining \$70,000*** will allow us to convert to a ***Pregnancy Medical Clinic***, adding ultrasound services to our center. ***Ultrasounds have a positive impact on a parent's decision to choose life!***

The enclosed ***Walk for Life Brochure***, contains more details about the upcoming event. You may register for the walk online at our website www.wallerpregnancycare.org. If you are unable to walk, please consider sponsoring someone else. Here are some of the ways you can get involved:

- Walk as an individual or as a member of a team
- Sponsor an individual or team
- Volunteer as event staff
- Give corporate contributions

We would love to have 100% participation from all our friends who participated previous years, those who didn't have an opportunity last year and anyone who is just getting to know us. So, start planning now to join the ***Walk for Life 2016*** and get as many involved as possible.

Please join us in this endeavor ***Protecting Life, Empowering Families, and Strengthening Communities***. For additional information, please contact Walk Coordinator Melanie Charleston at 281-961-8106. You are welcome to call or visit us at the center.

Blessings,

Janet Y. Lemelle, RN, MSN-FNP, MCC
