

Project Name:

**City Hall Temporary Buildings Installation
Hurricane Harvey Recovery
CITY OF PRAIRIE VIEW**

Bid Addendum# 2.

Questions:

1. Do we have to cover security, low voltage for this project or will the city cover these items?
2. Does the city want to have an elevated connection between the buildings?
3. What type of walkway to the building? Aluminum or wood material?

Answers:

1. No security or low voltage required.
2. Elevated connections are not required. Crushed stone walk only.
3. Either material for the walkway is fine.
